Specification

Model No.	TVL-650COMPACT
Chip	Laser
power	200mw(red),
Voltage range	12V DC
Wavelength	638/520nm
Beam	Red Line
Laser safety class	Class 3B
Waterproof rate	IP67
LED lifetime	30000 hours
Housing Material	100%Diecast Aluminum
Lens	PC
Operating temperature	-20 ~70° C
